

In the interest of everyone's safety

You are not required and it is not possible to attend the Civil Registration Service office in person.

During the COVID 19 pandemic, you can apply to register a death and/or purchase a death certificate from the safety of your home by phone, e-mail or by post.

Please complete and sign part 2 of the death notification form (on the reverse side) and send it along with a **copy of your photo ID** to your local Civil Registration Service Office. Log onto our website www.civilregistrationservice.ie for further information or phone our office at:

01 8638200 or e-mail us at
crsupdates.dublin@hse.ie

We thank you for understanding the importance of keeping our distance at this time and assure you that whilst we can't deal with you in person, we are happy to assist you by phone and e-mail, during normal office hours.

Please do not attend our office in person.
